Why Village HopeCore International?

As someone who cares about making a positive impact in the world, you have the unique opportunity to leave a lasting legacy through your giving. By supporting Village HopeCore International, you can play a crucial role in improving the lives of communities in Africa.

HopeCore is an international leader promoting income generation, health intervention, and education - the Three Legs of the African Stool. Since 2000, HopeCore has worked tirelessly to support community development by providing access to sustainable livelihoods, quality healthcare, and capacity building through microfinance.

Your support will help HopeCore continue its crucial work for generations to come. By naming HopeCore as a beneficiary of your will, retirement plan, life insurance policy, stocks, or other planned giving vehicle, you ensure that your values and vision live on through the lives of those HopeCore serves.

HopeCore's Flagship Program

Micro Enterprise

VILLAGE HOPECORE
INTERNATIONAL
HOPE CHANGES EVERYTHING

Your planned gift supports HopeCore's Micro Enterprise Program - which reduces poverty by supporting the creation of sustainable businesses and equipping Kenyans to manage their enterprises.

Loans paired with business and leadership training help business owners grow sustainable income and provide proper nutrition and education for their families!

Program Development: *Deep Roots*

Health

Delivering holistic school and community-based interventions that meaningfully address chronic family and community health challenges faced by rural Kenyans.

WASH

Empowering school children with water, hygiene, and sanitation education, ensuring school children have access to clean drinking water, soap for hand washing, and providing menstrual hygiene management products to girls.

Youth

Ensuring youth have access to quality health information, youth-friendly health and financial services, sexual and reproductive health resources, and safe meeting spaces.

Your planned gift supports the growth of all HopeCore programs. We continue to build our services to support the health and livelihoods of community members in Tharaka Nithi, with a special focus on children and their mothers. Invest in our community roots.

FOUNDER: *Dr. Kajira Mugambi*

"We're grateful to each person who sees a need, recognizes the responsibility, and actively becomes the answer!"

Dairy goat project launch: Dr. Kajira Mugambi with micro-enterprise client Kenneth Ndiga. Each client was funded with goats.
